## Short description:

A 25mm scale model of the Emperor. Assembled figure is approximately 1.5 inches high.

## Description:

This is a scale model of the Emperor. This is my most intricate model to date and I am quite happy with how it turned out. The head was remixed from a thing by VFXBase; <http://www.thingiverse.com/thing:360351>.  
  
Note: Any similarities between this model and any real world product is purely coincidental. I am not affiliated with any gaming company or association in any way. Please support the official product.

If you can, please use the online documentation found at <http://www.youmagine.com/designs/the-emperor-of-mankind> because those may have been updated. Also, there you can interact and provide praise and/or feedback.
